## KAMPY'S KORNER

"September 11th impressed upon us that life is a precious gift—every life has a reason and a purpose. And we all have a duty to devote at least a small portion of our daily lives to ensuring that neither America or the world ever forgets September 11<sup>th</sup>," stated by Kelly Burk, Mayor of Leesburg, Virginia. I know that Sept. 11<sup>th</sup> was before you were born, but it is a time in recent history that impacted this country. It was a time in recent history that everyone prayed and gathered together. It is a recent time when this country was one and not divided. On this Sept. 11<sup>th</sup> I pray for this country that we can be one and not divided and no more lives have to be lost.

"The simplest and most practical lesson I know...is to resolve to be good today - but better tomorrow."  
Catherine McAuley
