KAMPY'S KORNER

"I'm so glad I live in a world where there are Octobers."...

L.M. Montgomery

"Autumn colors remind us we are all one dancing in the wind."... *Lorin Morgan-Richards*

As we begin the second quarter, let's live like the leaves, dancing together without separation, without intimidation. Let's live with understanding and accepting of differences. During the second quarter we celebrate together Halloween, Thanksgiving, and Christmas. Let's celebrate together with compassion and love.
