## KAMPY'S KORNER

Have a great day off on Monday!

Martin Luther King Jr. was a great man! He continues to impact people with his quotes from his writings.

"Life's most persistent and urgent question is, What are you doing for others?"...Martin Luther King Jr.

"Forgiveness is not an occasional act; it is a constant attitude."...Martin Luther King Jr.

"Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that."...Martin Luther King Jr.
