On May 1st the Flying Pig Marathon will be taking place. It has become a Mercy McAuley tradition to volunteer and host a "Rally Station". This opportunity is a fundraiser for Mercy McAuley, but it is also a great opportunity to have fun cheering on the participants as they head to the finish line. The event is super easy- you cheer! If you sign up to volunteer, there will be breakfast served and you get a free t-shirt! They ask that we arrive by 7 a.m. and stay until 10/10:30 a.m. You can receive service hours for it.

The information to sign up is below. Please type the password as it is on this email. When the race organizers set the account up that is the way they entered the password. See Mr. Brinkman with any questions.

KAMPY'S KORNER

Holy Week:

As we contemplate Holy Week, we must remember what our Lord endured for our salvation. He offered Himself as the perfect sacrifice for sin on the altar of the cross and washed away our sins with His blood. We also must recognize our responsibility to repent for our sins.

Happy Easter Sunday!

The Resurrection of Christ, a central doctrine of Christianity, is based on the belief that Jesus Christ was raised from the dead on the third day after his Crucifixion and that through his conquering of death all believers will subsequently share in his victory over "sin, death, and the Devil." The celebration of this event, called Easter, or the Festival of the Resurrection, is the major feast day of the church.

I hope everyone has a joyous Easter Sunday and a great Spring break.
