Happy Mercy Day Sept. 24

On Sept. 24 we celebrate with the Sisters of Mercy and all Mercy schools the opening of the House of Mercy on Baggot Street on September 24, 1827. Catherine McAuley educated women, cared for the sick, and helped the poor in this House of Mercy in Dublin, Ireland. Today these same works of Mercy are carried on through social agencies, hospitals, and schools. Catherine's legacy continues through all of us.

"The tender Mercy of God has given us one another."...Catherine McAuley

"Recognize and foster the dignity of every person."...Catherine McAuley
