COLLEGE REP VISITS:

For Juniors and Seniors only

In room 27—Bring your lunch- 15 students max

You must RSVP to attend.

Students who listed that college on their My Colleges list in SCOIR will get both an email and an in-app notification, which they can use to register for that visit.

Additionally, the visit will also be visible on student's dashboard under Upcoming Visits & Office Hours and it will appear as a notification in their Message Center.

Students not receiving the message through SCOIR should RSVP to Mrs. Horvath at horvathd@mercymcauley.org.

Students can download the Scoir mobile application (on iOS) to receive a push notification reminding them of the upcoming visit.

You will see notifications for these visits in several places. Only RSVP to one place and one time for each visit you are interested in.

Happy Mercy Week! Happy Spirit Week!

Mercy McAuley High School has some great traditions and one of them is celebrating Mercy Day, September 24. We will be celebrating with an all school mass, service activities, and other fun activities. The purpose of these celebrations is to acknowledge, recognize, praise, and celebrate all of the accomplishments of Catherine McAuley and her legacy. On September 24, 1827 Catherine opened the House of Mercy on Baggot Street. Catherine's purpose and the purpose of her legacy is to care for the sick, help the poor, and educate women. All three of these purposes are still a focus today. Let's celebrate together a gift of a Mercy Education and the gift of Catherine McAuley. I hope everyone enjoys Spirit Week and most importantly Mercy Day!

The Circle of Mercy is timeless!

Spirit Week
