KAMPY'S KORNER

"On Earth Day, we celebrate all the gifts the world and nature make available to us. We recognize our complete dependence on its bounty. And we acknowledge the need for good stewardship to preserve its fruits for future generations"....John Hoeven

Friday, April 22, was earth day. It should be a reminder to us how important our earth and world are and how everyone needs to do their part to protect it. Caring for the earth is also a critical concern of Mercy Education.

HAPPY EARTH DAY!

Welcome back. I hope everyone had a joyous Easter and a relaxing spring break. It is now time to get back to work for 5 quick weeks.

"Perseverance is the hard work you do after you get tired of doing the hard work you already did."... *Newt Gingrich*

"The three great essentials to achieve anything worthwhile are, first, hard work; second, stick-to-itiveness; third, common sense."... *Thomas Edison*

WOLVES, WELCOME BACK AND LET'S FINISH STRONG!
