OHIO TOWNSHIP ASSOCIATION COLLEGE SCHOLARSHIP PROGRAM

The Ohio Township Association Scholarship Program began in 2005. Many years prior to this, former board member Paul Smith and his wife, Ethel, gave the initial donation to the OTA Scholarship Fund, providing the groundwork for future scholarships. Today, four \$1,500 scholarships are awarded annually. Among other requirements, applicants must be a high school senior planning to attend a two or four-year Ohio college or university.

Ball State Interior Design Summer Workshop

The workshop explores fundamentals of 2D and 3D concepts, basic drawing and illustration skills, use of color and light effects, and how interior environments affect human behavior. This inclusive program seeks to blend tradition and innovation in creative learning.

At the end of the workshop, students have new friends, new perspectives, and a personal portfolio full of ideas!

This year we will be offering four flexible workshops:

- Two ten day on-campus workshops during the summer
- Two three week on-line workshops during the summer

Registration for summer Youth Interior Design Forum is now open.

About 80 percent of college students in the United States end up changing their major at least once, according to the [National Center for Education Statistics](#). Participation in this workshop will help your student build an art portfolio, help them make their final decision about declaring "interior design" as a major and also help them with a smooth transition to college after this exciting campus experience. Further, we will waive a required elective course for them, if they participate in the workshop and get admitted to Ball State University to study [Interior Design](#).
