IT'S SKYLINE TIME!**

## IMPORTANT ANNOUNCEMENT:

During the week of Feb. 7 there will be some traffic pattern changes due to the Water Works Company again. On February 7 and 8 Oakwood will be closed at Belmont, therefore traffic will need to come through the intersection of Oakwood and North Bend. There will be updates for the rest of the week and we will notify you when we know them.

## KAMPY'S KORNER

### Happy Catholic Schools Week!

This is a special week because we celebrate who we are. We celebrate with different theme days throughout the week. The national emphasis for this year is faith, excellence and service and all three of these topics are very important also to a Mercy Education. Each of you are a gift to a Catholic Education! Let's have a great week!

"Catholic schools prepare every student to meet the challenges of their future by developing their mind, yes, but also their body and their soul and spirit."...David Vitter

Let's celebrate together the gift of a Catholic Education!!!
