KAMPY'S KORNER

This Lenten season let's:

Let's not be angry, but focus on patience.

Let's not be negative, but focus on encouragement.

Let's not be bitter, but focus on forgiveness.

Let's not gossip, but focus on purposeful silence.

Let's focus on our faith during this Lenten season.

"During lent, let us find concrete ways to overcome our indifference."

-Pope Francis
