Check out job opportunities on the counselor's bulletin board

### SENIORS

Make sure you research and understand how to send your ACT/SAT test scores to colleges.

### JUNIORS

Finish the YouScience career inventory on SCOIR which you started this week. It takes a while but well worth your time as you try to figure out majors/careers that suit you.

### SOPHOMORES

Investigate SCOIR and uncover all the resources at your fingertips for college and career planning. Understanding this tool early gives you a leg up on your later high school years

### FRESHMAN

Organize! Keep a weekly or monthly planner or use a journal. If planners aren't your thing, try making "to do" lists, or using your phone calendar to keep track of assignments and important dates and events. Relying on "just remembering" can be difficult when your obligations and assignments start to pile on.

EVERYONE SHOULD BE  
WEARING THEIR LANYARD  
AND STUDENT ID EVERYDAY.

SCHEDULED FOR WEDNESDAY,  
SEPTEMBER 29TH FROM

## KAMPY'S KORNER

"All labor that uplifts humanity has dignity..." *Martin Luther King, Jr.*

"Whatever you want to do, if you want to be great at it, you have to love it and be able to make sacrifices for it."... *Maya Angelou*

Let's love school and school work because that is your job right now. Everyone needs to put forth the work and the rewards will be great! Hard work really does pay off. Wolves know how to make sacrifices and work hard.

Happy Labor Day and Labor Day Weekend to Everyone!!!  
Happy September!!
